

## Walker Bags:

1. Start with 2 pieces of fabric 42 x 16. Place right sides together and stitch around the edges using a  $\frac{1}{2}$  inch seam allowance. Leave an opening to turn the fabric right side out.
2. Trim corners and turn right sides out. Top stitch entire outer border of fabric piece  $\frac{1}{8}$  to  $\frac{1}{4}$ -inch, stitching closed the opening. (similar to making a table runner)
3. Bring sides in and stitch along the edges to create 2 eight-inch pockets at each end. Sew a seam on one pocket to make 2 smaller pockets
4. Stitch 4 pieces of ribbon (bias tape, or twill tie) 12-inch-long to the back edge of the bag just above the pockets to make ties to attach to the walker. The long ties will make the bag adjustable to different size walkers.
5. If using thinner fabric (quilting cotton), you may need to add fusible interfacing/fleece or batting between the layers to stiffen the bag. If you have heavier fabric (home décor, canvas, denim) you shouldn't need this. The finished bag should be approx. 15 x 25 inches.

1. Stitch a  $\frac{1}{2}$  inch seam leaving an opening to turn right side out.

2. Turn piece right side out, press and topstitch close to the edges, (stitching closed the opening)

3. Bring ends in to create 2 eight-inch pockets. Stich one pocket in half to create 2 smaller pockets
